<i>The nature, role and character of God</i>	<i>What is made and sustained by God</i>	<i>Who and what humans are</i>	<i>Moral behavior and responsibility</i>	<i>Intention or meaning</i>
<p>God has no beginning or end.</p> <p>God is a Person, with the ability to think, feel emotion, and make choices.</p> <p>Jesus is fully human and fully God.</p> <p>God is entirely good.</p> <p>God is omniscient (all-knowing).</p> <p>God is omnipresent (all-present).</p> <p>God is omnipotent (all-powerful).</p> <p>God is perfect.</p> <p>God never changes (immutable).</p> <p>God created all things.</p> <p>God keeps His creation going.</p> <p>God has authority over His creation.</p> <p>God loves all people of every nation.</p> <p>God wants to have a relationship with us.</p> <p>God cares about us and helps us.</p> <p>God knows everything we think, know, and do.</p> <p>God communicates with us through the Bible, Jesus, and Creation.</p> <p>When we believe that Jesus is God's Son and my Savior, we have fellowship with God.</p> <p>God wants all people to know Him.</p> <p>God forgives, and is merciful and just.</p> <p>God's judgments (decisions) are always right.</p> <p>Everything good comes from God.</p> <p>God hears our prayers and answers them.</p> <p>God works through people to do His will on earth.</p> <p>Christ will come again.</p>	<p>God spoke and the universe was created out of nothing.</p> <p>God continually keeps his creation going.</p> <p>All truth in creation is God's truth.</p> <p>All creation shows God is real and helps us know what God is like.</p> <p>Pain and suffering are a natural part of life in a fallen world.</p> <p>God has not forgotten the world even though the world is full of sin.</p> <p>God owns the earth and everything in it so it has great meaning to God and humans.</p> <p>The earth was created for humans to rule.</p> <p>Demons are spiritual beings that have rebelled against God.</p> <p>Angels are spiritual beings that do God's work.</p> <p>Angels and demons are real.</p> <p>Hell is real.</p> <p>Heaven is real.</p>	<p>Humans are created by God's choice because he has a plan for them.</p> <p>God created humans in His image.</p> <p>God created humans to rule over the earth.</p> <p>Humans are different from animals. We have special value because we are made in the image of God.</p> <p>People can talk to God, and God talks to them.</p> <p>Food feeds the body. God's Word feeds the soul.</p> <p>Humans have been given the ability to make choices.</p> <p>Sin causes separation and disharmony between people and God.</p> <p>All humans have fallen short of the glory of God.</p> <p>Humans are born to want to please themselves instead of doing God's will.</p> <p>Human pain, suffering and sadness are a result of the Fall.</p> <p>All humans die in their bodies, but their souls live forever, either with God or separated from God.</p> <p>When we believe that Jesus is God's Son and our Savior, we have fellowship with God.</p> <p>Jesus' death brought His image-bearers into a new family called God's church.</p> <p>All Christians are an important part of the church.</p> <p>God commands us to spread the gospel.</p> <p>People have been given gifts by God so they can serve and bless others.</p> <p>All humans will have to answer to God for their actions.</p>	<p>What is right or wrong comes from God, not from people.</p> <p>God's laws are for the good of all humans and communities.</p> <p>The Bible teaches us the difference between good and evil.</p> <p>The family and the government help us know and do what God says is right.</p> <p>God's laws are not optional, and we cannot make deals with Him to get out of obeying them.</p> <p>Humans have the ability to choose to disobey, but we never have the right (or a good enough excuse) to disobey.</p> <p>Humans are responsible for our actions and choices.</p> <p>Humans have the ability to disobey and when they do, it causes disharmony and pain with others.</p> <p>Humans can be obedient to God in every area of their lives. Learning new things shows obedience to God.</p> <p>Sin is disobeying God's commands.</p> <p>We are born with a sinful nature, wanting to do our own thing and make our own rules.</p> <p>Right and wrong are the same everywhere on earth.</p> <p>It is everyone's responsibility to develop godly character.</p> <p>God commands us to love the Lord with all our hearts, minds and strength, and to love our neighbors as ourselves.</p> <p>With help from the Holy Spirit, we can have self-control in every situation.</p> <p>The Bible is our only authority in knowing right from wrong.</p>	<p>God created His image-bearers to rule over His earth.</p> <p>God works through people to do His will on earth.</p> <p>God wants people to be a blessing to the communities they live in.</p> <p>God has a purpose for all things.</p> <p>God commands us to spread the gospel.</p> <p>God's purpose for us is found in the Bible.</p> <p>God has a purpose for the family.</p> <p>God has a purpose for the church.</p> <p>God has a purpose for the government.</p> <p>Each person was created with a special purpose for the glory of God.</p> <p>Pastors and teachers have special leadership roles to fill in the church.</p> <p>God wants to use His people to do His will in every area of life.</p>
